Dads and Kids Making Lifelong Memories

Goal for 2018: 10,000 pounds of PB&J and \$10,000

Please no Jars over 32oz

How do we reach our goal?

Corporate

Do you work for a company like Bank of America, Verizon, or Pepsi? Many corporations like this offer matching programs, so check their website. Remember, some corporate gifts take time to be approved, so don't wait....make the ask NOW!

Community

Be sure to engage your friends, family, or school! Take the flyer to your church or gym. Grab the kids and knock on the neighbor's door. This is a great opportunity to have fun with your kids and get them talking about helping our neighbors!

Local donations

Ask local grocery stores and retailers (Kroger, Tom Thumb, Walmart) if they would contribute some extra PB&J. Next time you are shopping for groceries, ask the manager! Every small contribution matters - and sometimes they donate in bulk!

Online

Can't make it to the event? No problem! You can donate online at www.cistarrant.org/ click on donate and specify that your gift be directed toward the PB & J Drive.

What is Communities In Schools?

Communities In Schools is the nation's leading dropout prevention organization. Through a school-based coordinator, CIS provides intensive case-management to at-risk students, connecting students and their families to critical community resources, to overcome a wide range of obstacles. We help students stay in school and on the path toward graduation, with a 97% success rate.
